(Forms for additional books available at the Coffee/Pizza table, or print from ukrainianschoolreadathon.weebly.com)

- Any book or magazine in Ukrainian (or even about Ukraine) counts!
- Every **15 minutes** you spend reading counts as one book. Thus you may put the same title down multiple times – just list the pages and time spent reading (but re-reading the same pages does not count)
- Someone can read **to** you, and that counts too!
- Homework reading also counts!
